“BUGS, BREW & BARBECUE” BENEFITS TOMAGWA WITH DONATION

Ida Schleiermache of the North Houston Volkswagen Club recently presented Tomagwa Executive Director Judy Deyo with a \$1,000 donation on behalf of the local VW organization. The donation was the result of funds raised through the City of Tomball’s 3rd annual “Bugs, Brew & Barbecue” event held in late September.

“Bugs, Brew & Barbecue” drew more than 5,200 visitors to downtown Tomball for a day filled with classic Volkswagen “bugs”, Texas craft beer, local barbecue and live music.

Tomball is 28 miles northwest of downtown Houston on FM 2920 at Highway 249. For more information about Tomball’s festivals and special events, please call 281-351-5484, or visit www.tomballtx.gov and www.facebook.com/tomballtexasforfun.
