5. Submit a **2015 Energy Analysis Report** building envelope, lighting loads and mechanical loads. Your engineer can do this for you or you may use **ResCheck 2015 IECC** which is a free download software at U.S. Department of Energy website.
6. Provide the following information for **New Utility Connections**.
 - a. Sewer Tap (Number of taps and their sizes)
 - b. Water Tap (Number of taps and their sizes)
 - c. Gas Tap (A list of gas fixtures including the total BTU Load)
7. **** Contractor must provide Liability Insurance with a minimum of \$500,000 of combined single limit coverage Equal to or Greater than the contract amount, whichever is greater. The City of Tomball must be listed as the "Certificate Holder" on the policy.**

Separate permits are required for electrical, plumbing, heating, ventilation or air conditioning. This permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is abandoned for a period of 6 months at any time after work is commenced. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law relating to construction, nor does it give authorization or approval to encroach on any easement or property or violate any deed restrictions. The City of Tomball shall never be liable for any damage or loss by reason of the issuance hereof. Each holder and other persons acting under authority of this permit are personally responsible for compliance with all the above provisions and assume the entire risks incidental to the work being permitted.

CONSTRUCTION SITE REQUIREMENTS

1. Post address and permit in a visible location at the jobsite.
2. An approved set of plans must be on the jobsite.
3. Install safety fence and rails where needed.
4. Provide adequate temporary toilets
5. Install silt fencing where needed, protect storm drains and clean streets daily.
6. Keep jobsite clean and safe. By City Ordinance, dumpster or roll-off rental must be made thru the City of Tomball Utility Department at (281) 290-1424.
7. Keep fire hydrant clear and access available for emergency vehicles.
8. All plan revisions must be reviewed and stamped approved by the Building Official prior to field inspection.
9. The City of Tomball is currently under the 2012 International Residential Building Code.
10. Obtain inspections for all phases of construction work being done.
11. All foundations will require a form survey approved by the City before inspection.
12. Framing inspections should be scheduled after mechanical covers have passed inspection.
13. Building finals should be scheduled after mechanical and plumbing finals have been done.
14. Before a Certificate of Occupancy can be issued an Energy Analysis inspection and a Customer Service inspection has to be completed by a third party inspector. After the building department receives the approvals, a building final for C.O. can be done.
