

Tomball Kids Swim

Jerry Matheson Public Pool

Tomball Kids Swim is a water safety program designed to teach elementary school aged children basic life saving swim skills. The goal of this program is to introduce children to swimming and is not a replacement for additional training or practice.

- **Level 1 Tadpole:** The swimmer will learn to hold on to the wall, float on their stomach, float on their back, kick while floating, and grow comfortable in the water.
- **Level 2 Minnow:** The swimmer will build on Tadpole skills and learn to use their arms with the goal of reaching the wall safely.
- **Level 3 Big Fish:** The swimmer will build on Minnow skills and learn to use rotary breathing while swimming.

This program is open for children ages 4 years to 7 seven, free of charge with limited class sizes. Classes are taught Tuesday or Thursday as indicated on the schedule. Registration is one week prior to the start of each session on Tuesday. Children who participate must be able to accept instruction due to safety concerns, otherwise they may be asked not to participate.

Please complete the registration application. The registration form is required to be completed and submitted in person between 4:00 pm and 5:00pm on the designated dates.

Please contact Brian Vestal Pool Manager at poolmanager@tomballtx.gov or during open registration date and times as indicated. No late swim Applications will not be accepted after registration period has ended due to staff scheduling.
