Entry Level Testing

Public Service Officer Written Exam and Physical Fitness Testing

Saturday, December 7, 2019

9:00 AM

Location: Tomball Police Department
400 Fannin
Tomball, TX 77375

Physical fitness testing consists of a 500 meter, a 4 minute or a 2000 meter row on a Concept 2 rowing machine. A score of 70% is considered passing. Please refer to the rowing charts on the website for the time requirements for 500 meters and the distance requirements for the 4 minute row. For information on the 2000 meter row please visit <https://app.dps.mn.gov/msptroopercandidate/home/fitnessrequirements>

Prior to submitting an application review minimum qualifications on both the position posting as well as the physical agility testing requirements. Please refrain from submitting an application at this time if you are unable to meet the minimum qualifications.

Candidates must be inside the testing site at exactly 9:00 AM and will be required to show proof of identification, preferably by Texas Drivers License, upon entering the testing facility. Candidates are not to bring any property with them. (no cellular phone, pager, PDA, weapons, paper, notebooks) Testing administrators will provide all pens, pencils and note taking materials. You must have an application on file with City of Tomball Human Resources in order to be eligible to participate in the testing.

Be prepared to test for approximately 2-3 hours
