DPS Computerized Criminal History (CCH) Verification (Agency Copy)

I, _____ have been notified that a Computerized Criminal

APPLICANT (Please print)

History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and DOB identifiers I supply.

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal history check for background screening is not allowed to discuss any criminal history record information obtained using the name and DOB method. Therefore, depending on the position in which I am applying for, the agency may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

For the fingerprinting process I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System). I will be given information to complete the fingerprint process, if applicable.

Once this process is completed and the agency receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.

(This copy must remain on file by your agency. Required for future DPS Audits)
