

Maintain Your Bar Ditch and Driveway Culvert

Help Keep Our Stormwater Clean!

Did You Know?

Bar ditches make up the majority of drainage ways in the City of Tomball. Help decrease local flooding and stormwater pollution by properly maintaining bar ditches and driveway culverts.

Look Out For

Leaves/Debris/Trash

Grass

**Hazardous
Liquids**

Driveway Culvert Repairs

What You Can Do

**Keep the bar ditch and
driveway culvert clear.**

**Mow the bar ditch when
you mow your lawn.**

**DO NOT dump hazardous
liquids into bar ditches.**

**Contact the City for driveway
structural repairs.**
