

Updated 3-16-2025 for Season 2025

Tomball Kids Swim

Jerry Matheson Public Pool

Tomball Kids Swim is a water safety program designed to teach elementary school aged children basic life saving swim skills. The goal of this program is to introduce children to swimming and is not a replacement for additional training or practice.

- Level 1 Tadpole: The swimmer will learn to hold on to the wall, float on their stomach, float on their back, kick while floating, and grow comfortable in the water.
- Level 2 Minnow: The swimmer will build on Tadpole skills and learn to use their arms with the goal of reaching the wall safely.
- Level 3 Big Fish: The swimmer will build on Minnow skills and learn to use rotary breathing while swimming.

This program is open for children ages 4 to 7 and is free of charge with limited class sizes. Classes are held on Tuesdays or Thursdays, as indicated on the schedule. Registration takes place one week prior to each session on Tuesday. For safety reason, participants must be able to follow instructions; otherwise, they may be asked not to participate.

Please complete the registration application. The registration form is required to be completed and submitted in person between 4:00 to 5:00 p.m. on the designated dates.

Please contact Brian Vestal Pool Manager at poolmanager@tomballtx.gov or during open registration date and times as indicated. No late swim Applications will not be accepted after the registration period has ended due to staff scheduling.

All registration forms will be accepted in person on the designated time and date. Please do not email them. Emailing them does not allow us to communicate conflicts in scheduling.

Updated 3-16-2025 for Season 2025
