The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2023 Amended and Restated Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Parcel according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2022 Amended and Restated Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Assessed Properties are consolidated, the Administrator shall allocate the Assessments against the Assessed Properties before the consolidation to the consolidated Assessed Property, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on **Exhibit L** for the applicable Lot Type, and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.B**.

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Developer must partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the Owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the Owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the Owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Reduction of Assessments

If, as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the costs estimated herein, each Assessment shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. Any excess PID Bond proceeds remaining as a result of a cost savings for Authorized Improvements shall be applied to redeem the applicable series of outstanding PID Bonds pursuant to the applicable Indenture. Any such reduction in the costs of the Authorized Improvements shall also reduce the Reimbursement Obligation under the related Reimbursement Agreement. The Assessments for each Improvement Area shall not, however, be reduced to an amount less than the related outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

The Assessments shall not be reduced to an amount less than the amount due on the related outstanding series of PID Bonds and any related Reimbursement Obligation, as such Reimbursement Obligation may be reduced pursuant to this Section. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Assessed Properties from the Authorized Improvements completed.

If all the Authorized Improvements are not undertaken in any Improvement Area resulting in excess PID Bonds proceeds and excess Assessment revenues, then the City shall, at its discretion (i) in accordance with the applicable Indenture, reduce Assessments and Annual Installments for each applicable Assessed Property on a pro-rata basis to reflect only the amounts required to repay the PID Bonds, including interest on the PID Bonds, Additional Interest, Annual Collection Costs, and/or (ii) reduce the outstanding Reimbursement Obligation relating to the applicable Reimbursement Agreement and reduce the applicable Assessments and Annual Installments to

reflect only the amount required to repay the resulting reduced Reimbursement Obligation, if any. The applicable excess PID Bond proceeds shall be applied to redeem PID Bonds as set forth in the applicable Indenture. The Assessments shall not, however, be reduced to an amount less than the amount due on the related outstanding PID Bonds.

The City Council may reduce the Assessments and the Annual Installments for Assessed Property (1) in an amount that represents the Authorized Improvements provided for each property; (2) by an equal percentage per Residential Lot; or (3) In any other manner determined by the City Council to be the most fair and practical means of reducing the Assessments for Assessed Property, such that the sum of the resulting reduced Assessments equals the amount required to repay the PID Bonds, including interest on the PID Bonds, Additional Interest, the Annual Collection Costs portion of the Assessment, and any Reimbursement Obligation.

E. Prepayment of Assessments

The Owner of the Assessed Property may pay, at any time, all or any portion of an Assessment in accordance with the PID Act, including all Prepayment Costs. If Prepayments will result in redemption of PID Bonds, the payment amount shall be reduced by the amount, if any, of reserve funds applied to the redemption pursuant to the terms of the applicable Indenture, net of any other costs applicable to the redemption of PID Bonds as set forth in the applicable Indenture. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If the principal portion of an Assessment is paid in full, with interest accrued to the date of Prepayment: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the Owner with a recordable "Notice of PID Assessment Termination," a form of which is attached hereto as **Exhibit Q**.

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the prepayment made.

F. Prepayment as a result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an Owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to

an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a “**Taking**”), the portion of the Assessed Property that was taken or transferred (the “**Taken Property**”) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the “**Remaining Property**”) following the reclassification of the Taken Property as Non-Benefited Property. The Owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2022 Amended and Restated Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property.

Following the initiation of the Taking, the Administrator will be required to determine the portion of the Assessment that was levied against the Assessed Property that would have been allocated to the Taken Property prior to its reclassification as Non-Benefited Property based on a manner that results in imposing equal shares of the costs of the applicable Authorized Improvements on property similarly benefited.

The Owner shall make a Prepayment of the Assessment in an amount equal to the amount determined by the Administrator in the above paragraph prior to the transfer of ownership of the Taken Property.

By way of illustration, if an Owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, and the Owner shall owe \$10 as a prepayment for the Taken Property.

Notwithstanding the previous paragraphs in this subsection if the Administrator determines that the Taking prevents the Remaining Property from being developed as shown on the final plat, the Owner shall be required to prepay the total amount of the Assessment levied against the Remaining Property within sixty (60) days of such determination.

G. Payment of Assessment in Annual Installments

Exhibit G shows the projected Annual Installments for Improvement Area #1, **Exhibit I** shows the projected Annual Installments for Improvement Area #2, and **Exhibit K** shows the projected Annual Installments for Improvement Area #3. Assessments that are not paid in full shall be due

and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

If any Parcel shown on the Assessment Roll is assigned multiple tax identification numbers, the Annual Installment shall be allocated pro rata based on the acreage of the property as shown by Harris County Appraisal District for each tax identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated pro rata among Assessed Property for which Assessments remain unpaid based on the amount of the outstanding Assessment on each Assessed Property. Annual Installments shall be collected in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Foreclosure sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act, Indenture, and Development Agreement. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year.

Failure of an Owner to receive an invoice for an Annual Installment on the property tax bill shall not relieve the Owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs. The City may provide for other means of collecting the Annual Installments to the extent permitted by the PID Act.

H. Allocating Annual Installments if Assessed Property is Sold

If Assessed Property is sold, the Annual Installment shall be allocated between the buyer and seller in the same methodology as property taxes.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Assessment Roll and Annual Installments for each Parcel as part of each Annual Service Plan Update.

The Improvement Area #2 Assessment Roll is attached as **Exhibit H**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Assessment Roll and Annual Installments for each Parcel as part of each Annual Service Plan Update.

The Improvement Area #3 Assessment Roll is attached as **Exhibit J**. The Administrator shall prepare and submit to the City Council for review and approval, proposed revisions to the Assessment Roll and Annual Installments for each Parcel as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Administrative Review

To the extent consistent with the PID Act, an Owner of Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date the invoice or other bill for the Annual Installment is received. If the Owner fails to give such notice, such Owners shall be deemed to have accepted the calculation of the Assessment Roll (including the Annual Installments) and to have waived any objection to the calculation. The Administrator shall promptly review the notice, and if necessary, meet with the Owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred. The City may elect to designate a third party who is not an officer or employee of the City to serve as administrator of the District.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property Owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property Owner (except for the final year during which the Annual Installment shall be collected or if it is

determined there are sufficient funds to meet the expenses of the District for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council, shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property Owner shall be a condition precedent to any other appeal or legal action by such Owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the Owner of the affected Assessed Property a recordable “Notice of the PID Assessment Termination,” attached hereto as **Exhibit Q**.

C. Amendments

Amendments to this 2023 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this 2023 Amended and Restated Service and Assessment Plan may be amended without notice to Owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2023 Amended and Restated Service and Assessment Plan; and (4) for any other purpose authorized by the PID Act.

D. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2023 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2023 Amended and Restated Service and Assessment Plan. Interpretations of this 2023 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by Owners or Developers adversely affected by the interpretation. Appeals shall be decided by the City Council during which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the Owners and Developers and their successors and assigns.

E. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this 2023 Amended and Restated Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Exhibit V-1, Exhibit V-2, Exhibit V-3, Exhibit V-4, and Exhibit V-5**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance of this Amended and Restated Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Amended and Restated Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

F. Severability

If any provision of this 2023 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
