

City of Tomball CUSTOMER NEWS September 2025

Leash Law Reminder

For the safety of our community, all dogs and cats must be restrained in public places. A leash not exceeding six (6) feet is required to maintain control of your pet at all times while keeping a safe distance from other people and animals. Thank you for helping keep Tomball safe and pet-friendly!

National Preparedness Month

September is National Preparedness Month, and as we enter the peak of hurricane season, it's crucial to ensure you and your family are ready for unexpected emergencies. Being prepared means **✓ having a family emergency plan**, **✓ assembling an emergency supply kit**, and **✓ staying informed about potential hazards**. Taking these steps now can protect your family and home during a disaster. Find resources and tips to help you prepare at tomballtx.gov/bepreparedepa.

Emergency Alert System

The City of Tomball uses the CivicReady platform to distribute emergency alerts to residents and businesses. We encourage our community to take advantage of this valuable resource by registering for text, voice, or email alerts to stay informed about severe weather, drought status, service interruptions, and other urgent matters affecting Tomball.

To receive text alerts only, text "Tomball" to 38276.

To register for voice or email alerts, please visit tomballtx.gov/alerts.
